UNIVERSITY  
Athletic Centre

Dear Community Partner,

The OSCC55+ is excited to once again host Pickleball4All, our community fundraiser tournament, taking place on Wednesday, June 17, 2026, at Ontario Tech University Athletic Centre. This event is the place to dink, drop, and rally for a great cause.

Building on the incredible success of our inaugural event in 2025, which welcomed 183 players and raised more than \$25,000, this year's tournament is shaping up to be even bigger. Pickleball players of all skill levels will once again come together to raise funds and awareness in support of the programs and services we offer to enhance the well-being and quality of life for older adults in our community.

In addition to morning and afternoon play sessions, we'll be offering a new 'Vendor Village', bringing the action and excitement off the courts. Attendees and the public will be able to shop for products, visit a variety of community partners, and enjoy many perks and prizes throughout the day!

We kindly invite you to consider sponsoring our event; a wide range of sponsorship levels are available and can be found on page two of this package. In addition, we are seeking auction items, baskets, gift cards and prizes for our donation draws. All sponsors and donors will be recognized throughout the event with sponsors also receiving promotion on our social media channels.

Our Centres are a 'home away from home' for thousands of older adults, a place to enjoy leisure activities, build new friendships, and maintain good health through active living. We also provide services that support wellness and independence, including caregiver relief programs, meal services, and health-related supports such as foot care, physiotherapy, and falls prevention programs.

Thank you for considering our request. We look forward to partnering with you. If you have any questions, please feel free to contact me at 905-576-6712 ext. 5841 or [lackerblade@oshawa.ca](mailto:lackerblade@oshawa.ca)

Yours truly,

Leisa Ackerblade  
Manager, Volunteer & Community Relations, OSCC55+
